OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 5th June, 1889.

To the Honorable

GEORGE E. FOSTER,

Minister of Finance.

SIR,—I have the honor herewith to submit the statements in detail of Insurance Companies for the year 1888, together with such an abstract and analysis of them as appeared proper to exhibit the progress of the business and the condition of the Companies.

FIRE AND INLAND MARINE INSURANCE COMPANIES.

During the year 1888 the business of fire insurance in Canada was carried on by 32 active Companies; of these 6 were Canadian, 21 British and 5 American. Inland Marine Insurance was also transacted by 4 of them (3 Canadian and 1 American), and Ocean Marine by 3 of them (all Canadian). This list of Companies does not differ from that of the previous year, one company, however, the Phenix of Brooklyn, ceased to transact Marine business, Inland and Ocean, and one, viz., the British and Foreign Marine Insurance Company was licensed to transact Inland Marine Insurance.

FIRE PREMIUMS AND LOSSES IN CANADA IN 1888.

The cash received for premiums during the year in Canada has amounted to \$5,437,263, being greater than that received in 1887, by \$192,761; and the amount paid for losses has been \$3,073,822, which is less than that paid in 1887, by \$329,692. The ratio of losses paid to premiums received is shown in the following table:—

FIRE Insurance in Canada, 1888.

If we had excluded from these tables the year of the disastrous fire in St. John (1877), the average loss-rate would have come out 64.04.

Obtaining an approximation to the losses incurred during the year, by excluding the payments for losses outstanding at the beginning of the year, and including the amounts estimated for those of the year still unsettled, the ratio of the losses incurred to premiums received comes out 55.57 per cent., which is almost

11 per cent. less than the 66·40 of the previous year, and is 7·05 per cent. less than the average for the last eleven years (62·62). The following are the rates of incurred losses from 1878 :—

FIRE INSURANCE IN CANADA, 1888.

The gross amount of policies new and renewed taken during the year by Fire Companies was \$541,580,007, showing an increase of \$8,822,919 over the amount taken in 1887. The premiums charged thereon amounted in 1888 to \$6,390,296·84, being an increase of \$245,108·43 over the amount charged the previous year. The rate of premium is somewhat greater than that of 1887, but the loss rate (56·53) is much less (8·37), being in fact about 7½ per cent. less than the average loss rate (64·04) for the past 20 years, the year 1877 being excluded.

The rate per cent. of premiums charged upon risks taken is shown in the following table :—

PREMIUMS AND LOSSES COMPARED WITH RISKS.

The average rate of premium charged on each \$1,000 of risks taken in 1888 is \$11,799, as against \$11,535, which was the corresponding rate in 1887. The individual rates for the different Companies will be found in an annexed table, and will be seen to vary a good deal, as might naturally be expected, considering the varieties of the business done by the Companies.

The losses incurred (approximate) during the year, compared with the amount of risk current (taking for this the mean of the amounts in force at the beginning and end of the year) have been at the average rate of \$4.70 per \$1,000 current risk. The corresponding rates for 1882-3-4-5-6-7 were \$5.68, \$5.56, \$5.37, \$4.54, \$5.48, and \$5.70 respectively.

The losses are, however, as usual, distributed very unevenly among the different Companies, as appears from the following, computed on the above basis; where,

for convenience of comparison, the corresponding rates for 1887 are appended within parentheses:—

Agricultural of Watertown, 1·94 (2·37); London Mutual, 2·43 (2·46); London Assurance, 3·44 (5·39); Liverpool and London and Globe, 3·48 (4·83); Norwich Union, 3·48 (5·43); Phenix of Brooklyn, 3·52 (11·68); Royal, 3·59 (4·26); London and Lancashire, 3·79 (5·48); Western, 4·02 (4·43); Imperial, 4·10 (4·78); Lancashire, 4·16 (4·41); Phoenix of London, 4·19 (4·89); North British, 4·29 (4·69); Scottish Union and National, 4·43 (4·17); Queen, 4·61 (5·60); Commercial Union, 5·02 (7·38); Connecticut Fire, 5·33 (7·26); Northern, 5·43 (6·53); National of Ireland, 5·61 (8·76); Hartford, 5·69 (5·88); Fire Insurance Association, 5·86 (7·86); Caledonian, 5·96 (6·26); British America, 6·04 (6·81); Citizens', 6·05 (7·86); Quebec, 6·59 (7·85); Guardian, 6·79 (9·98); City of London, 7·54 (8·95); Royal Canadian, 7·63 (8·33); Atlas, 7·67 (17·52); Ætna Fire, 7·93 (9·45); Glasgow and London, 8·55 (9·70); Employers' Liability, 10·66 (7·83).

The annexed table gives the gross amounts of risks taken by the several Companies during the year, and the premiums charged thereon, and also the distribution of losses, with the proportionate rate of premiums to risks, and the proportion of the amounts paid for losses to those received for premiums during the year. For convenience of comparison the rates of 1887 are appended. It must be noted that the premiums in the second column are those charged on the whole gross amount of risks taken by each Company during the year.

BRITISH FIRE COMPANIES.

The total cash receipts from premiums were \$3,859,284, being an increase of \$165,292, as compared with the previous year; the payments for losses were \$2,094,465, being \$240,569 less than for 1887; while the general expenses amounted to \$1,011,863, being \$12,148 greater than in 1887, thus leaving a balance of \$752,956 in favor of the Companies. In the previous year this balance was \$359,243.

Paid for losses.....	\$2,094,465
“ general expenses.....	1,011,863
Total.....	<u>\$3,106,328</u>
Received for premiums.....	3,859,284
Balance in favor.....	<u>\$ 752,956</u>

The following detail gives the balances for the different Companies:—

Balances in favor:—Atlas, \$8,346; Caledonian, \$8,633; Commercial Union, \$67,559; Employers' Liability, \$4,588; Glasgow and London, \$8,488; Guardian, \$41,789; Imperial, \$70,018; Lancashire, \$52,422; Liverpool and London and Globe, \$59,910; London and Lancashire, \$49,237; London Assurance, \$23,118; National of Ireland, \$7,939; North British, \$64,126; Northern, \$27,658; Norwich Union, \$18,672; Phoenix of London, \$59,037; Queen, \$63,617; Royal, \$110,277; Scottish Union and National, \$29,197. Total, \$774,631.

Adverse Balances:—City of London, \$15,924; Fire Insurance Association, \$5,751. Total, \$21,675.

Total balance in favor, \$752,956.

For every \$100 of premiums received there were spent, on the average, \$54.27 in payment of losses and \$26.22 for general expenses, leaving \$19.51 for the Companies.

In 1887 the loss rate was \$63.21, and the general expenses, \$27.06 for every \$100 of premiums received.

For the fire business the rate of premium was \$11.671 per \$1,000 of risks taken, as against \$11.064 in 1887.

Hence, these Companies have done a less volume of business than in 1887, at a higher rate of premium, at a less rate of expense, and at a less rate of loss.

Collecting the results for the fourteen years, from 1875 to 1888, as regards the receipts for premiums and the expenditure of the British Companies, we find:—

Paid for losses (1875-88)	\$27,609,225
do general expenses	8,935,239
Total payments	\$36,544,464
Received for premiums	37,639,358
Excess of receipts over payments	\$ 1,094,894

It will be seen from an examination of the table given below that an adverse balance was in existence from the year 1877 until the end of the year 1886, due to the exceptional circumstances of the conflagration at St. John in the first mentioned year—when the losses paid by British Companies amounted to almost five millions of dollars; that such adverse balance was reversed at the end of the year 1887, when a favorable balance of \$341,393 was shown, and that this favorable balance was increased at the close of the year 1888 to \$1,094,894:

The reports of the general business of the British Companies, which are appended to their several statements, are taken either from the published reports of the Companies to their shareholders, or from the reports as furnished to the British Board of Trade. As the accounts are made up in a form not readily understood, except by an expert, I have this year made an approximate analysis of them, which will be found on page lix. Only two or three of these Companies profess to make any special provision for liability under the head of "Unearned Premiums," but they set aside a certain sum under the title of "Fire Fund," which is held to meet future contingencies, and is charged against the company as a lia-

bility. I have taken 60 per cent. of the annual revenue from premiums as a fair approximation to the exact *pro rata* of the premiums on unexpired risks, which forms the basis of the item in our returns for Canadian business. Also, in cases where life insurance is combined with fire (the assets of these branches being required by the Imperial statute to be kept separately) I have omitted the life business entirely, considering that the life funds are more than sufficient to cover the liabilities in this branch, and thus making the results, as regards the paid-up capital, less favorable to the companies.

AMERICAN COMPANIES.

The transactions of the Phenix of Brooklyn in closing up its Marine business will be here included, and also Inland Marine insurance done by the *Ætna*.

The receipts for premiums were \$446,768; the payments for losses, \$233,075; and the general expenses, \$111,405. Hence for every \$100 of premiums received there were spent on the average, \$52.17 in payment of losses and \$24.94 in general expenses.

The following detail gives the balances for the different companies:—

Balances in favor—*Ætna* Fire, \$32,602; Connecticut Fire, \$9,362; Hartford, \$43,830; Phenix of Brooklyn, \$30,655. Total, \$106,449.

Adverse balances—Agricultural of Watertown, \$4,161.

Total balance in favor, \$102,288.

The results of the total business of these Companies, from 1875 to 1888, inclusive, are as follows:—

CANADIAN COMPANIES.

In considering the Canadian Companies, their whole Fire insurance business, in Canada and elsewhere, as well as their whole Marine business, must be taken into account, inasmuch as a separation of expenses between these branches has not been made.

The following table gives the distribution of their Fire business between Canada and elsewhere, and shows that the foreign business has been, on the whole, less favorable to the Companies than the home business:—

The assets of the six Canadian companies doing Fire business amounted, at the end of the year, to \$4,263,649, covering a total amount of insurance of all kinds of \$301,760,988, being at the rate of \$14.13 for every \$1,000 of insurance in force; they have also a reserve of subscribed capital not called up, amounting to \$1,562,309, making a total security of \$19.31 for every \$1,000 insured. The liabilities of the same companies amounted to \$2,436,920, made up as follows:—

Unsettled losses.....	\$ 311,752
Unearned premiums.....	2,027,209
Sundry.....	97,959
Total.....	<u>\$2,436,920</u>

The unearned premiums are here taken to be the *pro rata* proportions of the gross premiums for the time unexpired in the cases of Fire and Inland Marine insurance, and the whole premium in the case of a current Ocean risk: The surplus of assets over liabilities available for the protection of policy-holders, independent of the reserve of subscribed capital not called up, amounts to \$1,826,728.

The capital stock of these companies, paid up or in course of payment, amounts to \$1,662,491, and the result shows a surplus of this capital to the amount of \$164,237. At the end of 1887, there was a surplus of \$112,351.

The following table gives the condition, at the end of 1888, of all the Canadian stock companies in reference to their surplus or impairment of paid-up capital.

FIRE and Marine Insurance Companies, 31st December, 1888.

† As reduced by Act of Parliament.

A comparison of this with the corresponding table for the previous year shows the following results:

Gain or improvement during 1888:—

British America, \$844.32; Citizens', \$549.29; Quebec, \$4,133.76; Royal Canadian, \$8,005.68; Western, \$53,085.11.

Loss or deterioration during 1888:—

London Mutual Fire, \$21,934.19.

In the case of the British America it is necessary to note that while the foregoing table shows a less impairment of capital than was shown in the corresponding table of the previous year, and therefore an apparent gain, it does not follow that this company made an actual gain during the year 1888. This arises from the fact that the real estate of the company (consisting of the head office at Toronto), which in the statement for 1887 was valued at \$90,000, was in that for 1888 placed at \$150,000, and I may add that having regard to a valuation of the premises procured by me, and several others which were produced by the company, and which varied considerably (as valuations very frequently do, it being by no means an easy matter to form a proper estimate of the actual value of real estate such as that referred to), and after considering the matter carefully, I am unable to say

that the last-mentioned sum of \$150,000 is an excessive estimate; and it would therefore seem to follow that said real estate was undervalued in the statement for 1887, as it is scarcely possible that the value could have increased to the extent of \$60,000 during the year.

Including the whole business of the mixed companies, as well outside as within the Dominion, it appears that the Canadian Companies have received during the year 1888, a total cash income of \$3,484,429.40 (exclusive of \$76,181 received on account of capital stock), which is made up as follows:—

—	1888.	The same in 1887.	The same in 1886.	The same in 1885.
	\$ cts.	\$ cts.	\$ cts.	\$ cts.
Premiums	3,348,045 64	3,346,968 91	3,090,851 40	3,089,381 09

Totals.....	3,484,429 40	3,479,889 99	3,230,074 30	3,212,577 43

In the same way the cash expenditure during 1888 has been \$3,487,326.54 distributed into:—

—	1888.	The same in 1887.	The same in 1886.	The same in 1885.
	\$ cts.	\$ cts.	\$ cts.	\$ cts.
Losses paid.....	2,355,960 53	2,397,382 03	2,128,942 82	1,985,256 67

Totals.....	3,487,326 54	3,552,501 51	3,170,051 34	3,003,032 99

Thus, it appears that for every \$100 of income there has been spent \$100.08, namely, for losses, \$67.61; for general expenses, \$28.96; and for dividends to stockholders, \$3.51. Hence, also, for every \$100 of premiums received there has been paid out \$70.37 for losses, \$30.14 for expenses, and \$3.65 for dividends to stockholders.

The total cash income received by the Canadian Companies during the 14 years from 1875 to 1888 inclusive is \$47,329,447.31. The respective amounts^a for the several years and the distribution thereof under proper headings are shown in the subjoined table:—

The expenditure of the same Companies during the same period of 14 years amounted in the aggregate to the sum of \$48,425,498.33, thus showing an excess of expenditure over income to the amount of \$1,096,051.07. The amounts expended in the respective years and their distribution under proper headings are given in the following table:—

INLAND NAVIGATION AND OCEAN MARINE INSURANCE.

Including the Canadian inland marine business of the British and Foreign Marine and the *Ætna*, and the whole inland marine and ocean business done by the three Canadian companies, the following are the results of the year:—

For Inland Navigation.

Premiums received, \$497,150; losses incurred, \$363,423, of which were paid \$309,479, leaving a balance of \$53,944 of them still unsettled. There was also paid during the year the sum of \$45,298 on account of losses incurred in previous years, making the total payments during the year, on account of losses, \$354,777, while the total outstanding or unsettled losses at the end of the year were \$54,871.

Ocean Marine.

Premiums received, \$271,452; losses incurred, \$241,774, of which were paid \$196,746, leaving a balance of \$45,028 of them still unsettled. There was also paid during the year \$56,794 on account of losses incurred in previous years, making the total payments during the year, on account of losses, \$253,540, while the total outstanding or unsettled losses at the end of the year were \$51,227.

The Marine business has been, on the whole, more favorable than the year previous. The losses incurred in the inland marine business amounted to 73·10 per cent. of the premiums received, while last year the rate was 73·84.

In the Ocean business the rate of losses incurred to premiums received was 89·07, while last year it was 100·41. The bulk of the ocean business is transacted by companies which are not required to be licensed, and do not report to this Department.

An abstract of the inland marine business will be found on page lviii, and details of this and the ocean business for the individual companies on pages lvi and lvii.

LIFE BUSINESS.

The business of life insurance has been transacted by 30 active companies, of which 11 are Canadian, 10 British and 9 American.

A license was issued during the year to an American company, viz., the Germania Life Insurance Company, and since the close of the year 1888 another American company, viz., the Provident Savings Life Assurance Society, has received a license.

INSURANCES EFFECTED DURING THE YEAR.

The total amount of policies in Canada taken during the year 1888 was \$41,226,529, exceeding the amount taken in 1887 by \$3,218,219. The Canadian companies show a gain in 1888 of \$1,370,710, while in 1887 they gained \$4,215,855; the American companies have a gain of \$928,762, against a decrease of \$391,654 in 1887, and the British companies have also an increase of \$918,747, whilst in 1887 they had a decrease of \$987,239, the total increase in 1888 being \$3,218,219, as above stated.

The respective amounts effected are:—

Canadian companies.....	\$24,876,259
British do	3,985,787
American do	12,364,483

So that the amount taken by native companies exceeds that taken by the British and American together by over \$8,500,000. The details of the increase or decrease among the respective companies are given on pages lxxiv and lxxv.

Life Insurance in Force in 1888.

The total amount of insurance in force at the close of the statements was \$211,761,583, which shows the large increase of \$20,067,313 over that of the previous year, being distributed as follows:—

	Total in force.	Increase.
Canadian companies.....	\$114,034,279	\$12,237,525
British do	30,003,210	1,839,881
American do	67,724,094	5,989,907
Total.....	<u>\$211,761,583</u>	<u>\$20,067,313</u>

Among the eight active American companies the increase was \$6,251,741, while in the retired American Companies, which had at risk \$5,276,880 at the close of 1887, the decrease has been only \$316,334, of which \$154,923 was terminated by death or maturity, and \$161,411, or less than $5\frac{1}{8}$ per cent. of the existing insurance, was terminated by surrender, lapse or removal.

The following tables will enable the progress of the total business to be traced during the past fourteen years, both as regards the amounts of insurances effected from year to year and the total amounts in force:—

Amount of Insurance terminated in 1888.

The amount of insurance terminated in natural course, namely, by death, maturity or expiry, was \$2,867,533, which is greater by \$422,012 than the corresponding amount in the previous year; and the amount terminated by surrender and lapse was \$18,375,555, being greater than that in the previous year by \$4,330,587.

Relatively to the amounts at risk the amounts so terminated taken together are in excess of those of the previous year, giving for every \$1,000 of current risk

\$13.51 terminated in natural course, and \$86.55 by surrender and lapse, making a total of \$100.06. In the year 1887 these rates were \$12.85 and \$73.80 respectively, making a total of \$86.65, thus giving a difference of \$13.41 for each \$1,000 at risk.

The following table exhibits the rates for the last five years:—

The total termination amounts to about 51·53 per cent. of the amount of new policies. The actual amounts of termination were distributed as follows:—

	Naturally.	By Surrender and Lapse.
Canadian Companies.....	\$1,194,679	\$10,625,021

The details of the individual companies will be found on page lxxix.

Canadian Policies in Force.

Omitting the industrial policies of the North American, London Life and Metropolitan, the following table gives the number of Canadian policies in force at the date of the statements:—

	Number.	Amount.	Average Amount of a Policy.
		\$	\$
Canadian Companies.....	67,258	113,463,338	1,687
British do	14,740	30,003,210	2,035
American do	37,636	66,740,676	1,757
Totals.....	119,634	210,207,224	1,757

The average amount of the *new* policies is, for Canadian Companies, \$1,694; for British Companies, \$1,884, and for American, \$1,936. The corresponding amounts last year were \$1,843, \$1,943 and \$2,085.

DEATH RATE.

The data for the calculation of the death rate has been considerably augmented this year by the admission of the mean number of policies in force and the number of policies terminated by death during the year as an approximation to the mean number of lives exposed to risk and the number of deaths during the year respectively, in the case of those Companies which have not reported this item. The death rate has been entirely re-calculated for the last four years upon this basis, and the table as re-cast is given below. It is believed that the results arrived at represent the actual mortality among insured lives in Canada as accurately as can be gathered from the returns of the Companies.

	21,870,832	9,719,942	21,606,154	53,196,976

The total amount paid to policy-holders during 1888 is as follows:—

Death claims (including bonus additions)	\$2,214,001
Matured endowments do	333,197
Annuitants	16,391
Paid for surrendered policies	286,442
Dividends to policy-holders	590,698
Total	\$3,440,729

The distribution of the payments among the different companies will be found on page lxxviii.

Hence for every \$100 premiums received, there has been paid to policy-holders \$51.70, leaving \$48.30 to be carried to reserve, expense and profits.

Including the business done outside of Canada by the Canadian Companies, the following table shows the total premium income and payments to policy-holders, of all companies doing life insurance business in Canada for the last ten years, and also the ratio of payments to policy-holders to premiums received.

Totals	42,738,322	22,863,713	53.50

Collecting the results for the ten years, 1879 to 1888, we find that the total payments to policy-holders amount to 53.50 per cent. of the premium income during said period.

The subjoined table shows the total premium income and payments to policy-holders, during the last ten years, of the ten life insurance companies which have

ceased to do new business in Canada, and also the ratio of payments to policy-holders to premiums received.

Collecting the results for the ten years, 1879 to 1888, it will be seen that the total payments to policy-holders made by said retired companies, exceeds by 12·08 per cent. the total premium income during the same period.

Canadian Companies.

The assets and liabilities, income and expenditure, of the Canadian Companies will be found exhibited in the statements under their respective headings at pages lxxx, lxxxi and lxxxii. In the calculation of the re-insurance reserve, the Institute of Actuaries' H. M. Table of Mortality with $4\frac{1}{2}$ per cent. interest is employed.

From the tables on page lxxxii, referred to, it will be seen that the Canadian Companies have received an income of \$4,038,065.73, drawn from the following sources:—

	1888.
Premiums and annuity sales.....	\$3,260,799 53
Interest and dividends.....	741,061 75
Sundry.....	36,204 45
Total.....	<u>\$4,038,065 73</u>

And they have expended \$2,343,824.07 under the following items:—

	1888.
Paid to policy-holders and annuitants.....	\$1,416,515 59
General expenses.....	874,656 66
Dividends to stockholders.....	52,651 82
Total.....	<u>\$2,343,824 07</u>

Hence, out of every \$100 of income, they have expended in payment to policy-holders \$35.08; in general expenses, \$21.66, and in dividends to stockholders, \$1.30; leaving \$41.96 to be carried to reserve.

By reference to the table at page lxxx it will be seen that the total assets at the 31st December, 1888, of the Canadian Life Companies (including \$1,230,123.33 outstanding and deferred premiums, interest and rents due and accrued which have not as yet gone into income) amount to \$16,042,781.08, an increase over the corresponding amount at the end of the year 1878 of \$11,452,344.29.

The amount of risks in force has increased from \$30,541,867, in 1878, to \$114,034,279, a gain of \$83,492,412, and the reserves have increased from \$3,477,185, in 1878, to \$13,842,693 in 1888, an increase of \$10,365,508.

The following table gives the premium and other income of the Canadian Companies during the past ten years, and also the payments to policy-holders, for general expenses and for dividends to stockholders during the same period:—

Collecting these results we see that the Canadian Companies have received during the ten years, 1879 to 1888, a total income of \$24,468,826, and have expended the sum of \$14,270,180 under the headings above set forth.

Hence, out of every \$100 of income received during the said period of ten years, they have expended in payments to policy-holders, \$35.43; in general expenses, \$20.58; in dividends to stockholders, \$2.32, leaving \$41.67 to be carried to reserve and surplus.

CO-OPERATIVE COMPANIES.

The business of life insurance upon the assessment plan has been transacted by four companies, of which three were Canadian and one American.

The total amount of policies taken during the year 1888 was \$7,338,150, which is less than the amount taken in 1887 by \$521,850. The net amount in force at the end of the year was \$27,365,441, which shows an increase of \$2,109,828 over that of the previous year.

The amount of insurance terminated by death was \$250,559, and by surrender and lapse \$5,396,900, giving for every \$1,000 of current risk \$8.66 terminated by death and \$186.58 by surrender and lapse.

The total terminations amount to 76.96 per cent. of the amount of new policies. The amounts of termination were distributed as follows :—

	By Death.	By Surrender and Lapse.
Canadian Companies	\$162,559	\$3,371,900
American do	88,000	2,025,000
Total	<u>\$250,559</u>	<u>\$5,396,900</u>

The details of the individual companies will be found on page lxxxiv.

The total amount paid by members for membership fees, annual dues, assessments, &c., was \$367,740, and the amount paid for death claims was \$229,107.

The following tables give the details of the assets and liabilities, income and expenditure of the Canadian Companies, and of the income and expenditure of the American Company (Mutual Reserve Fund) :—

LEGAL DECISION.

The following judgment, delivered in the case of *Horton vs. The Provincial Provident Institution*, by Mr. Justice Robertson, and subsequently unanimously affirmed by the Divisional Court, will be found interesting and instructive to the officers of life insurance companies as well as to policy and certificate holders. The facts are sufficiently set forth in the judgment:

July 24th, 1888. Robertson, J.—“This action was tried before me at the sittings at St. Thomas in May last, and is brought by the plaintiff, who is the widow of the late Peter Horton, and a beneficiary under two certificates issued by the defendants, numbered 613 and 614 respectively, and dated on the 19th April, 1884. The head office and business of the defendants is carried on in St. Thomas. The certificates in question are in two classes. No. 613 is in class A., Benefit Fund No. 2; No. 614 is in class A., Benefit Fund No. 3, and it is witnessed thereby that on payment of \$1.50 and \$2.50 respectively, semi-annually on 15th May and 15th November, ‘together with the assessments for death losses, life benefits, and annuities claims, according to the tables printed hereon,’ the Provincial Provident Institution ‘doth hereby issue this certificate of membership to Peter Horton, &c, upon the following agreements: That upon the death of the said member, while this certificate is in force, he having conformed to all the conditions thereof, the Provident Provincial Institution will within thirty days after due notice and proof of said death, pay to his wife, Emily L. Horton, or to her legal representative, &c., the amount of one assessment made upon the surviving members of class A. and B. Benefit Fund No. 2 in the case of No. 613, and of class A. and B. Benefit Fund No. 3 in the case of No. 614, of the Institution, in accordance with the tables above mentioned; provided, however, that such payments shall not exceed \$2,000 in case of No. 613 and \$3,000 in case of No. 614.’ The certificates are, moreover, declared to be issued and accepted by the said member, on the following (among other) conditions: “7. Semi-annual dues being payable on 15th May and 15th November, no regular notices thereof will be sent. Thirty days default in payment will also suspend said member and void this certificate. 8. The member so suspended shall be reinstated only by furnishing a fresh medical examiner’s report, or other proof of good health, satisfactory to the Institution, within ninety days from date of suspension and paying all arrearages; and during the period from the expiration of the thirty days from date of notice of assessment, or maturity of the dues, until the date said member is recorded and reinstated upon the books of the Institution, this certificate shall be void and of no effect.”

The defence relied on was the non-compliance by Peter Horton of these two conditions. In reply the plaintiff alleges a waiver by the defendants, by the receipt of the semi-annual dues by the defendants, after the lapse of thirty days, as well as an assessment after the time had elapsed for payment, the dues being payable on 15th May, 1886, and the assessment on account of the death of one Samuel Park, a late member, \$2.06, in all \$4 56.

"I find the following facts:—

"1. When Peter Horton became a member on 19th April, 1884, he resided in the city of London, Ontario.

"2. In November, 1885, he left his home and went to Mobile, in the State of Alabama, and was there engaged in getting out timber.

"3. He left Mobile a few days prior to 27th August, 1886, on which day he returned to his home at London, Ontario, where his wife, the plaintiff, had remained during his absence.

"4. All dues and assessments were regularly paid by him up to 15th May, 1886.

"5. During Horton's absence in Mobile, the notices of dues and assessments, as well as circular letters, sent out by the defendants from their head offices, were addressed to him, properly, at Mobile, but there was no satisfactory evidence of when they were mailed in St. Thomas.

"6. On 14th August, 1886, a card and letter from Mr. John Baird, the secretary of the defendants, sent from the head office, were received at Mobile, by Horton, requesting payment of his semi-annual dues, due on 15th May, 1886; \$1.50 on No. 613, and \$1.00 on No. 614, and an assessment made on account of the death of the said late member, S. Park, \$2.06—in all, \$4.56.

"7. On the said 14th day of August, Horton remitted in a letter, directed to the secretary, the sum of \$5.00. In this letter Horton said: "Your card and letter just reached me, and enclose you at once, \$5.00, as I can't make exact change." This letter with its enclosure was received at the head office of the defendants in due course, and two receipts on postal cards, bearing date respectively on 21st August, 1886, were issued by the defendant's secretary, directed to Horton at Mobile, and posted on that day at St. Thomas. One was in these words:

" 'THE PROVINCIAL PROVIDENT INSTITUTION.

" 'Semi-annual dues on certificate No. 613.....	\$1 50
do do 614.....	1 60

" 'To 15th November, 1886.....	\$2 50
--------------------------------	--------

" 'Received payment.

" 'JOHN BAIRD, *Secretary*.'

"The other was in these words: 'The Provincial Provident Institution.' Receipt for fourth mortuary assessment. This assessment was made on account of the death of Samuel Park, of Heathcoate, Ontario. Received from Peter Horton, assessment on certificate No. 613, Fund No. 2, \$2.06. John Baird, secretary.'

"Across each of these receipts, and written in red ink, are the words: 'Conditional that you are now in good health.'

"On the same day (21st August, 1886) another post card was sent from the head office, and posted on the same day, and directed as above, notifying Horton that 'an assessment to Reserve Fund is now due from you on certificate No. 613, \$2.06,' in terms of the following: 'To create a Reserve Fund, each member shall contribute an amount equal to one assessment within two months from date of his certificate, and five per cent. of all assessments shall be added to this fund.'

" 'Please remit the amount by post office order to John Baird, secretary.'

"To this card a postscript is added by the secretary, in writing: 'The 44 cents you can apply on this, and pay when you come home.'

"On 23rd August, 1886, the plaintiff wrote a letter, which was duly received by the defendant's secretary, in these words:

"JOHN BAIRD, Esq.,

"LONDON, 23rd August, 1886.

"SIR,—I am sorry to trouble you again, but I forwarded your letter to Alabama, to Mr. Horton, but he has not received it, so if you will kindly send me the amount due, and your pamphlet, I will attend to it myself, and not risk it getting lost again, and oblige, respectfully,

"MRS. P. HORTON."

"On 24th August, 1886, the secretary wrote to Mrs. Horton in the following words:—

"MRS. P. HORTON,

"London,

"DEAR MADAM,—Yours of the 23rd instant to hand, and in reply would say we received the money from Mr. Horton on Saturday last, all right, and forwarded the receipts to him at Mobile, Alabama. Trusting this may be satisfactory,

"I remain yours, &c.,

"JOHN BAIRD,

"Sec. Prov. Prov. Ins."

"9. That the said Peter Horton never was suspended by the Institution, but, on the contrary, that he was retained and kept on the books of the Institution as a member in good standing.

"10. That the plaintiff, being the beneficiary under both said certificates, was induced by the secretary of the defendants to believe, and did believe, up to the time and after making her declaration on the 27th September, 1886, as to the death of the said Peter Horton, which declaration was prepared for the plaintiff in the head office of the defendants, by one of their officials, that the said Peter Horton was, at the time of his death, a member of the said Institution in good standing.

"11. I find also that the said Peter Horton, on the 27th day of August, 1886, being the day on which he returned to Canada, was in his ordinary good health and that he so continued until the 2nd September, when he was stricken with a disease of which he afterwards died on the 6th day of that month, being *cerebral meningitis*, caused by exposure to the heat of the sun.

"12. I find also that the three postal cards of 21st August never reached Peter Horton, but after his death came to the hands of the plaintiff, having been forwarded from Mobile, so that Horton never knew that the receipts were 'conditional,' nor did the plaintiff until after his death.

"On these findings, I am of opinion that the plaintiff is entitled to recover. In my judgment, it was never the intention of the defendants' Institution to treat Peter Horton as a suspended member. The secretary himself swore that nothing was done or recorded in the books to indicate that he was suspended, and the certificates were not cancelled. He also said on his examination before the examiner, after issue joined, that he was 'reinstated.' Taking the whole conduct of the defendants into consideration, I am satisfied that there was no intention, up to the time of Horton's death and for some time thereafter, to take advantage of the non-payment of the dues and assessments, which should have been paid within thirty days after the 15th May, and the receipt of the money in August by the defendants, and crediting him in the books therewith, clearly revived the certificates, and the defendants should not now be allowed to fall back on the default, in order to destroy the plaintiff's rights. It will be observed that the person most interested in keeping these certificates in force, was the present plaintiff; it was to her

individually, in case of her husband's death, that the amounts called for by them were to be paid, and it was manifest that she so regarded it, and notified the institution to that effect, when she wrote to Secretary Baird the letter of 23rd August, and it is clear that the defendants so treated her as being the most interested party. And what do we find the secretary doing? In reply to that letter, he writes to the plaintiff and tells her that the money had been received from her husband 'on Saturday last, all right, and the receipts forwarded to him at Mobile,' and wound up his note by expressing himself in these words: 'trusting this may be satisfactory, I remain, yours, &c., John Baird, Secty. the Prov. Inst.'

"Now how could it be 'satisfactory,' or how could he have the 'trust' that it would be 'satisfactory,' unless it was that he meant then to convey the idea that these certificates were in full force, and that so far as the payment of the dues and assessment about which she had been writing were concerned, all was 'satisfactory;' and if 'satisfactory,' then *per consequence*, the certificates were in full force and effect and her husband was a member in good standing. I find that the evidence establishes that it has not been the practice of these defendants, to hold their members to such payment within the times mentioned and prescribed by the by-laws, regulations and the conditions, &c. On the contrary they are exceedingly anxious to retain all their members, and they only exercise the rights which they have when it suits them to do so; and the evidence of Secretary Baird is positive as to this, and it so appears in one of their circulars, one of which was sent to Horton, some time in July, 1886. It has these words in it: 'We do not wish to take any undue advantage of such an oversight and cancel the certificate, as we might through payment of dues being behind a few days.'

"It is clear law, and there are authorities without number in the English, Canadian and American law reports in support thereof, that an insurance company may waive any ground of forfeiture or defence, and such waiver may be by express words, or by acts, and such waiver, too, may be by its immediate officers, as it was in this case, or by its agents; and when a waiver is once expressed, it obliterates the past so far as anything has occurred to forfeit the policy; for it is universally held that provisions declaring policies void on certain contingencies, are intended for the benefit of the insurers, and though the language in such cases usually is that the policy 'shall be void' not 'shall be voidable,' yet it is a provision inserted for the benefit of the insurers and may be waived by them. See *North Berwick Company v. New England F. and M. Insurance Company*, 52 Me. 336; *Smith v. Gugerty*, 4 Barb. 614; *Buckbee v. United States Insurance Annuity and Trust Company*, 18 Barb. 541; *Viall v. Genesee Mutual Insurance Company*, 19 Barb. 440, and numerous other cases cited therein. I find another very important American case, the facts in which are very like those in the case now before me. In giving judgment in that case, the learned Justices said: 'We are of the opinion that as the policy provides that in case the annual premium required by it should not be paid in advance, as therein mentioned, the defendants should not be liable for the payment of the sum insured or any part thereof, and the policy should cease and determine, it was optional with the defendants, on such non-payment to consider and treat the policy as being at an end to all intents and purposes, in which case they would be absolved from all claim or liability thereon; but as that provision was inserted for the sole benefit of the defendants, it was only voidable at their election, and it was therefore competent for them to waive a strict compliance with it, after the time stipulated for the payment of such premium, and that in case of such waiver the policy would be revived and continue obligatory on the defendants on its original terms; and further, that the reception by them or their authorized agent of the premium, for that purpose, after that time, would have the effect of reviving and continuing the contract evidenced by the policy, as though it had been strictly complied with by the assured.' *Boulton v. the American Mutual Life Insurance Company*, 25 Conn. 542. If it had been the intention of these defendants to take advantage of the non-pay-

ment in this case, it was their duty to have notified the assured that he was a suspended member and that they would not receive the premium, &c., until he brought himself within the provision of condition No. 8 which they now invoke, and to have put him or his wife, the beneficiary, on notice as to their rights, but instead of doing this, the secretary writes to say, 'the money was received from Mr. Horton on Saturday last, all right,' and the receipts forwarded and trusting that this (to her, the beneficiary), might be considered satisfactory; and moreover the fact of the assessment notice to the 'Reserve Fund,' also sent on 21st August, 66 days after the 30 days after the payment of the semi-annual dues, on 15th May, had expired, is cogent evidence that on that 21st day of August, he was dealt with and treated by the defendants, as a member in good standing, and was so treated and considered by them. See also on this point, *Wing v. Harvey*, 5 De. G. M. and G. 265; *Sapple v. Cann* 9 Ir. C. L. R. 1 and 4 Ir. Jar. N. S. 72; *Accey v. Fernie*, 7 M. & W. 151; *Edge v. Duke*, 18 L. J. Ch. 183; *Smith v. Mutual Insurance Company of Clinton*, 27 C. P. 441, 448; *Cornish v. Abington* 4 H. & N. 549.

"On the whole, therefore, I enter a verdict for the plaintiff, for the amount admitted at the trial, to be due, should the plaintiff be entitled to recover, viz.: \$2,443, being \$2,000 on certificate No. 613 and \$443 on certificate No. 614, together with interest thereon from October 7th, 1886, which I make up at \$263; total, \$2,706. And I order judgment to be entered for the plaintiff for the latter sum with full costs of suit.

"There were several objections taken by plaintiff's counsel, at the trial, as to the legality of the by-laws, &c., which would be worth considering, had I not come to the conclusion above stated, which makes it unnecessary for me to pass an opinion upon them."

ACCIDENT AND GUARANTEE INSURANCE IN CANADA, 1888.

The business of Accident Insurance was transacted by nine Companies, viz:—

5 Canadian (two of which combined it with Life Insurance), 1 American (also combined with Life), and 3 British, one of which combined it with Guarantee business, and one with Plate Glass Insurance.

This list of Companies differs from that of the previous year by the addition of one Canadian Company, viz:—The Canada Accident Assurance Company.

The total accident premiums received in Canada were \$249,048, insuring an amount of \$38,078,066, and the sum of \$112,022 was paid for claims, with \$22,916 claims not settled.

An abstract will be found on p. lxxxv.

The Guarantee business was conducted by three Companies, one Canadian, one British and one American.

This list does not differ from that of the year 1887.

The premiums received were \$62,549, guaranteeing an amount of \$10,107,204 and the net amount paid for claims was \$22,589, with \$39,825 claims not settled.

The Accident Insurance Company of North America, and the Guarantee Company of North America (both companies native) transact business outside of the Dominion, which is not included in the above.

 PLATE GLASS INSURANCE IN CANADA, 1888.

The business of Plate Glass insurance was transacted by two incorporated companies, viz.:—1 British (combined with Accident), and 1 American, and by two firms of individual underwriters, having their chief place of business in the city of Montreal, and also for a few days at the end of the year by one Canadian Company hereinafter mentioned.

Mr. Ramsay and Messrs. Mongenais, Boivin & Co., the individual underwriters above referred to, having adopted the system of insurance by replacement, instead of paying the value of the glass broken, and their contracts not stating any amounts as insured thereby, their returns do not show the amount of insurance effected during the year, nor the amount in force at the end thereof. The premiums received during the year in Canada for Plate Glass insurance were \$38,068, being greater than the amount received the previous year by \$6,910, and the total losses incurred were \$7,143, being \$2,241 in excess of the amount incurred in 1887. An abstract will be found at p. lxxxvi.

Mr. Ramsay, whose business was carried on under the name of the Dominion Plate Glass Office, ceased on the 15th day of December, 1888, to transact business of plate glass insurance and transferred all his outstanding risks to the Dominion Plate Glass Insurance Company, a company having a Canadian charter, to which a license was granted on the 14th day of December, 1888. In the abstract and statement no separation has been made between the business of A. Ramsay and that of the Dominion Plate Glass Insurance Co., the whole being under the heading of the Dominion Plate Glass Insurance Company.

At the present time there are eighty-five (85) Companies under the supervision of this office. The nature of the business transacted by them is as follows:—

Number of Companies doing Life Insurance.....				41
do	do	do	Assessment plan...	5
do	do	Fire Insurance		32

The deposits for the protection of policy-holders, held by the Honorable the Receiver-General, in trust for these Companies, at 17th June, 1889, amounted to \$14,581,772.20, in securities as follows:—

Canada stock	\$ 1,946,896 81
Canada debentures	436,973 33
Canada Provincial debentures	1,608,744 24
United States bonds	2,270,000 00
Connecticut State bonds.....	500,000 00
Swedish Government bonds.....	48,666 66
British annuities	652,910 00
British Colonial securities.....	500,126 67
Bank Deposit Receipts.....	321,303 00

Canadian Pacific and Canada Central Railway bonds.....	1,189,840 00
Total.....	<u>\$ 14,189,772 20</u>

There was also deposited with Canadian Trustees, in conformity with the Act, \$670,697, making a total of \$15,255,469.20 for the protection of policy-holders, being an increase since last report of \$911,295.

The distribution of the total sum of \$15,255,469.20 held, as above mentioned, for the protection of Canadian policy-holders among the different classes is as follows:—

Fire.....	\$ 4,170,602 14
Life.....	10,702,686 99
Accident, Guarantee, Plate Glass, &c.....	382,180 07
	<u>\$ 15,255,469 20</u>

In connection with the subject of deposits it may be mentioned that, by reason of the large amount of debentures now on deposit, as appears from the foregoing figures, the rapidly increasing additions thereto, the consequently very frequent applications for the exchange of bonds and debentures and the acceptance of new ones as additional deposits, the importance to the public of accepting only securities of a high class and of undoubted value, the necessarily increasing labor devolving upon the Treasury Board in dealing with said applications, and with a view to facilitate the work of the Board, to expedite matters under consideration and to ensure better results generally, it was thought desirable that a circular, which is reproduced below, should be issued and distributed among the officers of insurance companies. This was accordingly done in November, 1888.

The circular which speaks for itself is as follows :—

“OFFICE OF THE SUPERINTENDENT OF INSURANCE,
“ OTTAWA, November, 1888.

“ SIR,—In accordance with a minute of the Honorable the Treasury Board, dated 22nd October, 1888, and a former minute of said Board approved by the Governor in Council 17th January, 1876, both relating to securities required to be deposited by insurance companies with the Receiver General, I have the honor to state that in future all applications for the acceptance of bonds or debentures, whether as original deposits or in exchange for securities which the applicants desire to have released, must be accompanied by a statement giving full particulars of the securities offered for acceptance under the following headings, viz. :—

“ Date, date of maturity, place of payment of principal, rate of interest, how payable, *i. e.*, yearly or half yearly, date and place of payment of interest, market value at time of application for acceptance, and, if not quoted in the market, the price at which purchased by the company and date of such purchase.

“ Also, as regards municipalities whose bonds or debentures are offered :

“ The population, assessed value, rate of taxation, assets, total debenture indebtedness and all other liabilities, income and expenditure for the last fiscal year, and any other details in the possession of the company which would be of assistance in determining the value of the securities offered for acceptance.

“ The Board desire to be in possession of all possible information in relation to such securities in order that they may be in a position to give the matter proper consideration.

“ I have the honor to be, sir,

“ Your obedient servant,

“ W. FITZGERALD,

“ *Superintendent of Insurance.*”

If companies will in future bear in mind the contents of above circular and forward the necessary particulars with their applications for acceptance of securities, frequent delays will be avoided.

Having been from time to time applied to by companies asking whether certain specified bonds would be accepted as a deposit in the event of their being purchased by the applicants, I referred to the Hon. the Treasury Board the correspondence in the case of the company mentioned below, and now beg to submit for the information of those interested, a copy of an extract from the minutes of the meeting of said Board, held on the 1st April, 1889, at which such reference, was dealt with.

The extract is as follows :—

“The Board had under consideration a communication from the Superintendent of Insurance, addressed to the secretary of the Board, submitting certain correspondence with the Phoenix Mutual Life Insurance Company, from which it appears that the city of Brantford is offering for sale water works debentures to the amount of \$185,000, and the company is anxious to bid for them, provided some assurance is given that they will be accepted as a deposit on behalf of the company. The statements submitted give all the necessary particulars with reference to the municipality of Brantford, but there are not sufficient particulars with reference to the bonds themselves to comply with the requirements of the circular issued under the authority of the Board, one of which is the market value or purchase price.

"The superintendent asks the decision of the Board upon the following question, viz.: 'Will the Board consider an application such as the company's present application, that is to say, will the Board inform a company desirous of purchasing certain bonds or securities whether they will be accepted or not as a deposit in the event of their being purchased?'"

* * * * *

"The Board, after deliberation, are of opinion that they cannot give any assurance to any company that securities will or will not be accepted in the event of their being purchased."

LOAN COMPANIES BONDS AS DEPOSITS.

The Honorable the Treasury Board has authorized the acceptance of the bonds of loan companies as deposits on behalf of insurance companies in certain cases as appears from an extract from the minutes of a meeting of the said Board, held on the 19th June, 1889, which is as follows:—

"The Board had under consideration a memorandum from the Superintendent of Insurance with reference to the application of the Land Mortgage Companies' Association of the Province of Ontario to have the debentures of loan companies accepted by the Government as deposits on behalf of insurance companies, in which he reports that the said Association is composed of incorporated loan companies or societies authorized to lend money on real estate in the Province of Ontario, and all such companies or societies are eligible for membership upon payment of certain fees; that the loan companies which compose the said Association may be divided into the following classes:—

I. Companies incorporated under the provisions of the Statute of the Province of Canada, 9 Victoria, cap. 90, consolidated in chapter 53 of the Consolidated Statutes of Upper Canada, now included in chapter 169 of the last Revised Statutes of Ontario (1887), and commonly known as the Building Societies' Act;

II. Companies incorporated under the "Canada Joint Stock Companies' Act, 1877," now known as the "Companies' Act," being chapter 119 of the Revised Statutes of Canada (1886).

III. Companies incorporated under special Acts of the Legislature of the Province of Canada or of the Parliament of the Dominion of Canada.

IV. Companies incorporated under the "Ontario Joint Stock Companies' Letters Patent Act, 1874," being chapter 150 of the former and chapter 157 of the last Revised Statutes of Ontario.

V. Companies incorporated under the English Companies' Act, and licensed to transact business in Canada under 37 Victoria, chapter 49, being chapter 125 of the Revised Statutes of Canada.

The Board, after careful consideration of the report of the Superintendent of Insurance as to the class of securities upon which the above companies can invest their funds, and as to the borrowing powers of the said companies, and having regard to the fact that the companies mentioned in Classes I and II, viz.:—Those incorporated under the "Building Societies' Act" and the "Companies' Act," possess only limited power of borrowing and are restricted to investments that are usually considered the safest that can be had, direct that the debentures and debenture stock of such companies, belonging to these two classes, as meet the requirements hereinafter set forth, may be accepted as deposits on behalf of insurance companies, at such rate as the Treasury Board may see fit to place upon them, not, however, to exceed the value usually placed upon municipal securities, viz.:—90 per cent. of the par value thereof when the market value is at least equal to such par value, or 90 per cent. of the market value, when the market value is less than the par value.

The requirements above referred to are as follows:—

1. The company shall have kept strictly within the powers in relation to borrowing and investment conferred upon it by the Act under which it is incorporated.

2. It shall have a paid up capital of at least \$500,000.

3. It shall have been in successful operation as a loan company for not less than ten years.

4. It shall have a reserve fund amounting to not less than 25 per cent. of its paid up capital.

5. Its stock shall have a market value of not less than 25 per cent. premium.

The Board also direct that the debentures of such companies, coming under class III above mentioned, viz.: those incorporated under private Acts, as fulfil the foregoing requirements, and whose borrowing powers and powers of investment are not greater than those of companies coming under classes I and II, may be also accepted upon the terms above indicated.

The Board also direct that every application on behalf of an insurance company for the acceptance of any such debenture or debenture stock as herein above provided, shall form the subject of a special reference to the Treasury Board, and that the company shall supply all necessary particulars (properly verified, if required) for the information of the Board."

The total amount of premiums received for all forms of insurance was \$13,060,157, of which \$5,050,337 was received by Canadian Companies, and \$8,009,820 by British and American. The following summary shows the distribution of these premiums to the various classes :—

LIFE ASSOCIATION OF CANADA.

The balance of the deposit of the Life Association of Canada, referred to in last report as then remaining in the hands of the Receiver-General, has since been paid over to the Company, pursuant to the statute.

THE BRITON, MEDICAL AND GENERAL LIFE ASSOCIATION (LIMITED).

Since the issue of last report the securities held by the Receiver-General, and which formed the deposit of this Association, have been sold and the proceeds thereof distributed among the policy-holders and others entitled thereto. Owing to a variety of causes, among which are the following: failure to produce evidence of identity, want of evidence of title, infancy of persons entitled and inability to give sufficient discharge, address of persons entitled being unknown, &c., the dividends on a few of the policies (9 in all) have not yet been paid over. Out of the assets in Canada, other than the deposit with the Receiver General, premiums paid after the insolvency of the Association, to the amount of \$13,454.46, have been ordered to be repaid, of which the sum of \$12,672.15 has been already paid over to the policy-holders entitled, thus leaving \$782.31, being the premiums in respect of two policies, still to be repaid. A dividend sheet is now in course of preparation distributing the balance of the said assets in hand among the persons entitled, and in pursuance of which it is expected an early distribution will be made.

THE ODDFELLOWS' FRATERNAL ACCIDENT ASSOCIATION.

Towards the close of the year 1888, my attention was directed to the fact that the Oddfellows' Accident Association had appointed agents who were canvassing for business in Canada, claiming that as the Association insured Oddfellows only, it was by virtue of the 43rd section of the Insurance Act entitled to do so without making any deposit with the Receiver-General and without a license. In an interview which I had with the General Agent of the Association, I pointed out to him that his ideas as to the Association's rights were incorrect. He was, however, dissatisfied on the subject, and consulted Messrs. Haverson & St. John, Barristers, &c., Toronto, with whom I had some correspondence in relation to the matter. The question involved being an important one, the whole of the papers and correspondence relating thereto were submitted by me to the Department of Justice for an opinion. The facts in relation to the matter, and the questions submitted will sufficiently appear from the opinion of the Deputy Minister of Justice, which is as follows:—

“ OTTAWA, 8th January, 1889.

“ SIR,—I have the honor to acknowledge the receipt of your letter of the 27th ult., enclosing certain papers and requesting to be informed whether the Oddfellows' Fraternal Accident Association of America, comes within the exceptions contained in section 43 of the Insurance Act.

"The Company was incorporated on the 12th April, 1887, by the State of Massachusetts, for the purpose 'of rendering temporary aid and assistance to Oddfellows holding certificates of membership in this Association, in case of temporary or permanent disability resulting from accident, and rendering pecuniary aid and assistance to the widows, orphans, families and dependents of deceased Oddfellows, members of said Association, in case of death of said member from accident, or to their heirs and assigns.'

"The company is therefore * * * an accident association, and on that ground is not within the exception. It seems to be contended on behalf of the Company that as the Company purports to insure the lives of members against accident, it does the business of life assurance and does not lose the benefit of the exception by doing other insurance business as well. I am to say, however, that this contention seems to involve too literal a construction of Section 43. The companies which claim the benefit of those exceptions should be engaged in the business of life insurance only, and not in the business of accident and life or fire and life or marine and life. Any other construction would seem to be open to the danger of an evasion of the Act by companies really engaged in other lines of insurance, and therefore engaging in insurance as a business while getting the benefit of the exception mentioned in Section 43 by holding themselves out as engaged in life insurance as well.

"The question arises also : Is this an association for the purpose of life insurance formed in connection 'with a society or organization * * * for fraternal, benevolent, industrial or religious purposes' and 'exclusively from its members,' and which 'insures the lives of such members exclusively?' It does not appear to be so. So far as I can gather from the papers, seven gentlemen voluntarily formed themselves into an insurance company, and assumed the name above indicated, to do business only with Oddfellows. The charter was obtained without reference to, and without the authority of, and without connection with any Oddfellows' association, but with a view to obtaining the patronage of as many Oddfellows as possible. But this intention on their part and anything they have done in connection with the institution, does not justify the allegation that the Association was formed 'in connection with' the order of Oddfellows.

"As I understand the statute, Parliament intended that any of the organizations mentioned in the section referred to might insure the lives of their members, or, if they thought fit, might organize an association of them for life insurance purposes; but it did not contemplate any schemes such as this, by which a company is formed to obtain patronage of members of a fraternal society. The papers show that it was not until after the incorporation of the Company that the consent of the Grand Lodge of Massachusetts was obtained for the use of the Oddfellows' name. It further appears that certain lodges of Oddfellows have passed resolutions approving of this Association. This, however, does not show that the company was formed in connection with the Order of Oddfellows.

"I have the honor to be, Sir,

"Your obedient Servant,

"ROBT. SEDGEWICK.

"Deputy Minister of Justice.

"W. FITZGERALD, Esq.,

"Superintendent of Insurance."

The effect of the foregoing opinion was at once communicated to the Association through Messrs. Haverson & St. John, who were also informed, in answer to inquiries made by them, that a license was considered necessary in the case of all companies coming under Section 49 of the Insurance Act (the last-named section being the one properly applicable to such Association); that upon the Association making a deposit with the Receiver-General of from \$20,000 to \$40,000, in the discretion of the

Treasury Board, and in other respects complying with the provisions of the Insurance Act, a license might be granted to the Association, but that a deposit was indispensable. Mr. Haverson, in acknowledging said communication, intimated that his clients were ready to comply with the terms indicated for the purpose of procuring a license, and made inquiry as to the manner in which the deposit should be made, and what other steps were to be taken. Full information as to all matters inquired about were given, but no deposit has been made by, and no license has been issued to, said Association.

COVENANT MUTUAL BENEFIT ASSOCIATION OF ILLINOIS.

The following copy of an opinion, given by the Deputy Minister of Justice in relation to the above Association, sufficiently explains itself:—

“ OTTAWA, 15th January, 1889.

“ SIR,—I have the honor to acknowledge the receipt of your letter of the 3rd inst., having reference to the claim of the Covenant Mutual Benefit Association of Illinois to be exempted from the provisions of the Insurance Act, and I have the honor, by direction, to state as follows:—

“ I have first to call your attention to my letter to you of the 8th January, in respect to the Oddfellows' Accident Insurance Association of America, and to state that the views therein expressed apply with equal, if not greater, force to the present case. The papers in this case, and particularly the by-laws of the Association, show conclusively that this association is not one for fraternal, benevolent, industrial or religious purposes, but is a life insurance company, pure and simple.

“ Neither is it an Association for the purpose of life assurance in connection with any such association or organization. * * *

“ In answer to your further question, I have to state that the Association, as at present organized, is not entitled under any circumstances to transact business in Canada without being duly licensed under Canadian law.

“ Your obedient servant,

“ ROBT. SEDGEWICK,

“ *Deputy Minister of Justice.*

“ To the Superintendent of Insurance.”

It is only necessary to add that no license has been issued by the Dominion Government to said Covenant Mutual Benefit Association, nor has any such been applied for.

Having regard to the foregoing opinions, and bearing in mind that the Oddfellows' Fraternal Accident Association and the Covenant Mutual Benefit Association are both unlicensed, members of the order of Oddfellows, and others in Canada who may be asked to interest themselves in, to canvass for, or to transact any business of insurance in behalf of the said associations, or either of them, are respectfully referred to the penalty clauses of the Insurance Act.

I have the honor to be, Sir,

Your obedient servant,

W. FITZGERALD, M.A.,

Superintendent of Insurance.

* This Company has also \$132,500 vested in Canadian Trustees under the Insurance Act.

† This Company has also \$80,000 vested in Canadian Trustees under the Insurance Act.

‡ This Company has also \$498,197 vested in Canadian Trustees under the Insurance Act.

** Deposit receipts, \$5,000 of People's Bank, Fredericton, and \$45,000 of Maritime Bank, St. John. The latter bank is in liquidation. The question of the renewal of the Company's license which expired on the 31st March, 1888, and has not been renewed, is still pending. By a judgment of the Supreme Court of New Brunswick the claim of the Government against the liquidators against said judgment of the Supreme Court of New Brunswick has been argued as a preferential claim. An appeal on behalf of the liquidators before the Supreme Court of Canada and now stands for judgment.

THE following Life Insurance Companies, having ceased to transact new business in Canada, are entitled under Section 32 of the Insurance Act, to transact all business connected with policies existing at 31st March, 1878, and their deposits are applicable to these policies, subject to the provisions of the Insurance Acts of 1868 and 1871.

NOTE.—The license of the Hand in Hand Insurance Company expired on the 31st March, 1887, and was not renewed, owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of companies having Provincial charters was restricted to companies which transact the business of Life Insurance. (By an amendment since passed this restriction has been removed.) The Hand in Hand continues to transact Plate Glass Insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of \$5,000 still remains with the Receiver-General.

The following Insurance Companies are registered under the Insurance Act, and are permitted to transact the business of Life Insurance in Canada upon the assessment plan :—

Name of Company.	Chief Agent to Receive Process.
The Canadian Mutual Aid Association.....	W. Pemberton Page, Secretary, Toronto.
The Commercial Travellers' Mutual Benefit Society ...	James Sargent, Secretary, Toronto.
The Mutual Relief Society of Nova Scotia	James W. Bingay, Attorney, Yarmouth, N.S.

(Received, 1st March, 1889.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDED 31ST DECEMBER, 1888.

(Abstracted from Directors' Report, Liverpool, England, 25th January, 1889.)

The underwriting account for 1887 has resulted in a profit of £15,929 9s. 11d. To this sum must be added the interest account for the current year, amounting to £32,288 12s. 0d. and £30,000 transferred from the accumulated profit of the special re-insurance account. These with £158,720 11s. 4d. brought forward from last year, leave to the credit of profit and loss account £236,938 13s. 3d.

Out of this amount an ad-interim dividend of 8s. per share was paid on the 1st of July last, and the directors now propose to pay a further dividend of 8s. per share, and a bonus of 6s. per share, both free of income tax, making a distribution of 22s. per share or 27½ per cent. for the year. The directors recommend that after providing for income tax, £30,060 be transferred to the reserve fund, which will then amount to £351,348 4s. 0d. and the balance of £150,361 18s. 6d. be carried to next account.

The premiums taken for the current year amount to £318,316 8s. 3d. and the claims settled to £135,990 16s. 9d., leaving a net balance, after deducting expenses, of £144,060 19s. 11d. at the credit of underwriting account.

The net amount insured upon goods and freight was £55,271,681 of which £3,346,358 remained at risk on the 31st December, 1888, the net premiums on risks run off being £246,238. The net amount insured upon ships was £2,021,044 of which £881,881 was at risk at the end of the year. The premiums expired on ships are £18,045.

GENERAL STATEMENT FOR THE YEAR ENDING 31st MARCH, 1888.

(Abstracted from Directors' Report, London, Eng., 23rd May, 1888.)

The premiums received, after deduction of re-assurances and returns, amount to £343,341 0s 5d.

The losses paid and outstanding are £245,261 12s. 7d., being 71·43 per cent. of the premium income.

The balance of the revenue account is £31,467 19s. 4d., out of which the directors recommend that a dividend of 3 per cent., free of income tax, be declared on the paid-up capital of the Company for the year ending 31st March, 1888, payable on the 21st June next. This will absorb £6,000, leaving a balance of £25,467 19s. 4d. to be carried to the credit of the new account.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDED 31ST DECEMBER, 1888.

(*Abstracted from the Directors' Report, London, Eng., 23rd April, 1889.*)

FIRE DEPARTMENT.

The net premiums of 1888 amounted to £788,598, being an increase of £19,333, as compared with the year 1887, and the losses paid and outstanding to £450,463, being $57\frac{1}{8}$ per cent. of the premium income, as against $57\frac{3}{4}$ per cent. in the previous year.

From the profits of this department the sum of £45,000 has been carried to profit and loss, and after providing for outstanding losses, the fire fund stood at £708,678 as against £647,586 at the same time last year.

MARINE DEPARTMENT.

The net premiums received were £196,864, and the net losses, paid and outstanding, amounted to £136,395.

From the profits of this department the sum of £30,000 has been carried to profit and loss, and after providing for outstanding losses the marine fund stood at £264,824.

PROFIT AND LOSS.

This account has been closed with a balance of £72,926 carried forward to 1889, and out of that amount the directors recommend the payment of a dividend at seventeen shillings and sixpence per share (free of income tax), making, with the interim dividend paid in September last, 25 per cent. for the year.

EMPLOYERS' LIABILITY—*Continued.*

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st MARCH, 1889.

(Abstracted from the Directors' Report, London, England, 4th May, 1889.)

The premiums of the year were £249,042, against £213,573 in the previous account. The total losses paid and outstanding amounted to £139,329.

The investments (at cost), loans, cash in hand, on deposit and in bank, with the premiums due, represented a total of £229,985.

In stating the accounts all the reserves (including premium reserve) are shown under one head, as balance of revenue account, thus:—

Reserves (including provision for current policies)..	£102,605	15	9
---	----------	----	---

Divisible balance (after appropriation to reserves)..	7,500	0	0
---	-------	---	---

	<u>£110,105</u>	<u>15</u>	<u>9</u>
--	-----------------	-----------	----------

Out of the balance of profit and loss the directors recommend the payment of a dividend of 3s. per share (free of income tax), equal to $7\frac{1}{2}$ per cent. on the paid-up capital.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1887.

(Abstracted from Directors' Report London, Eng., 6th June, 1888.)

FIRE DEPARTMENT.

The fire premiums, after deducting re-insurances, amounted to £453,788 17s. 1d., being an increase of £3,317 over last year, and the losses to £281,905 17s. 8d., being slightly in excess of 62 per cent. of the premiums. After adding £1,700 to the premium reserve fund as the proper increase due for unexpired policies, the fire account shows a profit, from premiums, of £26,509 15s. 3d., and including interest and profit on investments realized, of £47,093 15s. 2d. The directors have again deemed it necessary to make a further addition to the fire general reserve fund, namely, £10,000, and recommend that the balance of £37,093 15s. 2d. be transferred to the proprietors' account.

The premium reserve fund to cover unexpired policies will then stand at £204,200 and the fire general reserve fund at £370,000. There will be therefore an aggregate fund (apart from the proprietors' capital) of £574,200 to meet fire claims.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1888.

(Abstracted from the Directors' Report, Liverpool, Eng., 25th April, 1889.)

The net premiums received for 1888, after deducting re-insurances, amounted to £584,077 9s. 2d., against £430,190 5s. 1d. in the previous year.

The net claims arising from all fires in which the Company was interested during 1888, and including full estimates for all such as were not settled at the time of closing these accounts, amounted to £304,059 5s. 2d.

The balance of the year's operations, after deducting all commissions, expenses, bad debts, depreciations and other charges, and including interest on investments and other receipts, amounted to £106,497 8s. 2d. Adding this sum to the balance of £94,583 12s. 8d., brought forward from last account, there results an amount of £200,991 0s. 10d. to be dealt with, less the interim dividend of 3s. per share, amounting to £11,112 paid to the shareholders in November last.

LONDON AND LANCASHIRE FIRE—*Continued.*

The directors propose to pay on 1st proximo a further dividend of 3s. per share, and a bonus of 2s. per share, both free of income tax, making with the interim dividend a total of 8s. per share for the year, or 16 per cent. on the paid-up capital.

The dividend and bonus now proposed to be paid will absorb £18,520. The directors propose to transfer £50,000 to the reserve and re-insurance fund, and to carry forward the balance, £121,359 0s. 10d., thus increasing the funds of the company by £76,775 8s. 2d. after payment of dividends.

The financial position will then stand as follows :—

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1888.

(Abstracted from Directors' Report, Dublin, 27th March, 1889.)

FIRE DEPARTMENT.

The fire income was £192,634 8s. 9d., being £12,358 19s. 1d. in excess of that of the previous year, while on the other hand the claims were £121,933 3s., being £4,653 18s. 7d. less than in 1887. The balance of this account amounted to £13,750 11s. 7d.

The percentages shown by the year's transactions were as under:—

Claims.....	£63	6s.	per cent.
Expenses and commissions.....	29	11s.	do
Balance	7	3s.	do

The fire fund at the commencement of the year was £31,039 13s. 6d., to which it is now proposed to add, out of the year's working £10,960 6s. 6d., bringing the fund up to £92,000.

Considerable progress has already been made in extending the company's business in the fire department. In view of this and a policy of further extension, as favorable opportunities occur, the directors recognize the desirability of strengthening the reserves, to which they are pleased to be able to make so satisfactory an addition on the present occasion.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1887.

(Abstracted from Directors' Report, Aberdeen, Scotland, 8th June, 1888.)

FIRE DEPARTMENT.

The premiums received last year amounted to £606,918 3s. 5d., showing an increase of £24,950 7s. 2d over those of the previous year.

The losses amount to £347,054 16s. 9d., or 57·18 per cent. of the premiums. The general average of the experience of the company from the beginning is now 59·29 per cent.

The expenses of management (including commission to agents and charges of every kind) came to £204,306 2s. 4d., or 33·66 per cent. of the premiums, which is ·73 per cent. higher than the ratio of the previous year.

The result is that, after reserving the usual 33 per cent. of the premiums to cover liabilities under current policies, a profit was earned of £47,240 8s. 8d., which sum has been transferred to the credit of the profit and loss account. (See annexed fire account.)

(Received, 5th April, 1889.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1887.

(Abstracted from Directors' Report, Norwich England, 3rd July, 1888.)

The net premium income for the year ending 31st December, 1886, amounted to.....	£ 588,499
The net premium income for 1887 amounted to.....	626,969

Showing an increase on the previous year of. £ 38,470

After setting aside one-third of the premiums (£408,949) as a reserve against liabilities on policies not run off the balance at the credit on profit and loss account, including the unappropriated balance, £122,605, brought forward from the previous year, is £197,245, out of which an interim dividend of £2 per share was paid in January last, and a further dividend of £2 per share has been declared by the board, and will be payable on the 5th of July. The reserve fund will be increased to £300,000, and a balance of £133,245 carried forward to next year's account.

The percentage of losses on premiums is 60.15 as against 58.14 for 1886, and 60.49 for 1885. The working expenses are 30.26, being lower than the average of other offices.

The results of the year's operations are: that the rate of dividend has been maintained; the usual provision has been made for unexpired risks; £20,000 has been added to the reserve fund, and the balance carried forward is increased £10,640.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1888.

During the year ending 31st December, 1888, 2,406 proposals were received, amounting to £968,041, resulting in 2,036 policies for £34,315, the new annual premiums payable thereon, exclusive of single premiums, being £27,996 2s. 1d. 370 proposals for £133,726 were declined or not completed. In consideration of £5,026 15s., fifteen annuities have been granted, for an annual payment of £26 9s. 4d. Six annuitants, in receipt of £142 8s. 10d., have died during the year. In the course of the same period 300 policy-holders died, on whose lives 332 assurances had been effected; the claims thus arising, with bonuses, amounted to £92,854 9s. 5d. The surplus income of the year is £33,625 7s. 10d., out of which £16,753 16s. 10d. has been paid to the policy-holders as cash bonus, and £1,706 9s. 1d. allowed in reduction of premiums, leaving £65,165 1s. 11d. as the net addition to the accumulated fund, which now amounts to £1,277,266 16s. 4d. The securities are of the highest class, yielding interest exceeding £4 7s. 6d. per cent. The total premium income (less re-assurance premiums paid to other companies) is £190,653 17s. 10d. The total income from all sources is £261,287 19s. 6d. The number of policies in force is 19,200, and the sums assured, with bonuses (after deducting re-assurances with other companies) are £6,000,137. The annuity contracts in force are 121, securing £5,147 per annum. The deaths during the year were below the estimated number, and the claims in amount are less by £13,881 than in the previous year.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st DECEMBER, 1888.

(Abstracted from the Directors' Report, London, Eng., 8th May, 1889.)

LIFE DEPARTMENT.

As the result of the fifth quinquennial valuation, a surplus was shown of £158,760, and of this amount the sum of £150,285 was distributed in the proportion of £30,057 to the shareholders, and £120,228 to the participating policy-holders. The corresponding amounts at the distribution of 1882, were £25,200 and £100,800.

The new business completed during the year consisted of 627 policies for the assurance of £422,625, and the new premiums in the account amounted to £16,615.

The claims by death of £66,524 are within the amount expected, and the life funds, notwithstanding the exceptional payment of £59,704 in respect of the quinquennial profits, was increased during the year by £25,249, and amounted at its close to £1,095,313.

The funds, as invested at the close of the accounts, yield an average return of £4 1s., while the rate upon which all the assurance calculations of the Association proceed is $3\frac{1}{2}$ per cent.

The allocation of bonus to the policy-holders in the older series of Class A is made annually, and the directors now accordingly declare the following cash bonuses on the premiums for ordinary whole life policies by premiums payable throughout life for the year commencing 6th April, 1889, to be applied as formerly in part payment of the premiums falling due during that year:—To entrants on or before 5th April, 1855, 45 per cent.; to entrants between 6th April, 1855, and 5th April, 1860, 35 per cent.; to entrants between 6th April, 1860, and 5th April, 1865, 30 per cent.; to entrants between 6th April, 1865, and 5th April, 1871, $27\frac{1}{2}$ per cent.; and 25 per cent. to entrants between 6th April, 1871, and the close of the Class. In the case of assurances by a limited number of premiums and endowment assurances, the cash bonuses are of precisely the same amount as if they were ordinary assurances by premiums during life.

The directors now declare, as formerly, a dividend on the amount of the paid-up capital of the Association (£87,500) at the rate of 15 per cent., together with a bonus of 5s. per share, payable on 12th November next, under deduction of the interim dividend paid on 15th May last.

*The number expected was 602.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1888.

(Abstracted from the Directors' Report, Liverpool, Eng., 18th May, 1889.)

FIRE DEPARTMENT.

The fire premium income for the year, after deducting the sums paid for re-insuring surplus risks, amounts to £1,286,415. The losses, inclusive of full provision for all claims that had arisen up to the close of the year, amount to £736,032. This account, after providing for expenses, shows, without the addition of interest, a surplus of £147,743; of which £15,000 has been left in the fire account to increase the fire re-insurance fund, and the balance of £132,743 has been carried to profit and loss account.

LIFE DEPARTMENT.

During the year the company has received

990 proposals to assure the sum of.....	£553,702
732 policies were issued for.....	407,052
156 proposals were not completed for.....	88,300
102 proposals were declined for.....	58,350

The premiums on new assurances during the year amount to £13,582, the total premium income, after deducting the amount paid for re-assurances, being £224,589. One hundred and eighty-five annuity bonds have been issued for a consideration of £94,275, granting annuities amounting to £3,824. The holders of ninety-one annuity bonds have died during the year, relieving the company of the annual payment of £4,152. The funds have been increased during the year by £41,342, and now amount to £3,898,798.

The directors have to report that the valuation for the past Quinquennium has been made, as regards the stringent tables of mortality employed, on precisely the same basis as at last Quinquennium, viz., the life and endowment business of the Liverpool and London and Globe has been valued by the Institute of Actuaries, Hm. and Hm. (5) tables, taking only the Hm. net premium and the annuities by Finlaison's latest Government Tables, whilst as regards the rate of interest, owing to the fall in the value of money on first-class investments which has taken place in the interval, it has been taken at $3\frac{1}{2}$ per cent. throughout instead of at 4 per cent., at which rate the interest was assumed at the preceding valuations of 1878 and 1883. The Globe business has been valued as formerly, as laid down by the Liverpool and London and Globe Amalgamation Act of 1864.

The directors have pleasure in stating that the measures taken at the end of the former Quinquennium, together with the fact of a considerable proportion of the proprietors' surplus then ascertained, viz., £100,000, having been left on that occasion as a surplus in the life funds, have fully realized the favorable results expected, and notwithstanding the lower rate of interest at which the calculations have now been made, enable them on the present occasion to declare an amount of surplus that must be highly satisfactory to all concerned. The amount of £100,000 then left in the fund has, by the improvement of interest during the period, become £122,813, and, including this amount, the valuation shows a surplus of £137,309, after giving to the policy-holders the large bonus they are entitled to.

Of this amount, from the same prudent motives that obtained at last Quinquennium, there is left £51,209 as a surplus in the life funds, and the balance of £86,100 is carried to profit and loss account.

At the commencement of the new participating class in 1875, the guaranteed bonus class was closed to further entrants, existing policy-holders preserving, of course, their full rights to future guaranteed bonuses. It is satisfactory to note, that during the present Quinquennium, reversionary bonuses, amounting to £210,253,

LIVERPOOL AND LONDON AND GLOBE—*Continued.*

have been added to the sums assured in that class, and also that the sum in hand to meet the future guaranteed bonuses amounts to £265,608.

The directors have further the satisfaction of announcing that, as regards the new participating class, the surplus arising therefrom enables them to declare, out of its own earnings, a reversionary bonus at the same liberal rate allotted to the policies at the termination of the two previous Quinquennial divisions of profit, viz., 35s. per cent. per annum. The repetition of so large a bonus must in itself increase the popularity of the company and give an impetus to new business in its life department.

With a view to encourage that object, the directors have decided to increase the proportion of profits to the assured from four-fifths to nine-tenths of the surplus arising from that class, and for this purpose they have further provided that policies in this class which shall have been in force for at least five years and becoming claims by death, or maturing as endowment assurances, before the 31st December, 1893, will be entitled to an intermediate bonus for each completed year since the last division of profits, at the rate of £1 per cent. per annum on the original sum assured.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1888.

(Abstracted from the Directors' Report, London, Eng., 3rd April, 1889.)

The proposals received during the year were 1,864 for £728,229 6s.; deducting those declined and not completed, 300, for £137,998 18s., the policies issued were 1,564 for £590,230 8s., yielding a new premium income of £21,700 17s. 5d. The average age of the new lives is 32. The total premium income for the year amounts to £147,902 14s. 2d., and deducting premiums paid to other offices for re-assurance, the net amount is £140,761 6s., showing an increase of £3,764 4s.

The claims by death, with bonus additions, and those matured under endowment assurances are £52,548 6s. 9d., very similar in amount to those of the previous year, and within the expectation as shown by the tables.

After providing for dividend and bonus to the shareholders at the rate of 20 per cent. per annum on the original amount paid up, and the payment of claims, surrenders, and cash bonus to policy-holders, and all other outgoings, there is a balance on the year's working of £56,416 8s. 8d., making the total funds £591,248 16s. 2d.

With the increasing business of the company, and the change in the value of money, which consequently adds to the difficulty of obtaining good and remunerative investments, the directors are of opinion that it is desirable to extend their powers, and as the result of careful consideration and inquiries as to the investing powers of similar companies, a special resolution on the subject will be submitted at the extraordinary general meeting for the approval of the proprietors.

With regard to the question of expenditure, the board desire to point out that the ratio is slightly lower than that of the previous year, and that the reduction would have been of a marked character, but for certain special and independent arrangements, chiefly at the branch establishments. With an increasing premium income, it follows that a gradual reduction in the expense ratio will be the result.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1888.

Abstracted from Directors' Report, Edinburgh, Scotland, 26th April, 1889.

LIFE BUSINESS.

During the year 1888 there were issued 1,146 policies, assuring £1,134,941, the new premiums on which amount to £43,389 9s. 11d. In 1887 the number of policies was 1,057, the sums assured were £740,429, and the new premiums were £28,074 7s. 5d.

The net amount insured in 1888, after deducting sums re-insured, was £814,041. The new premiums, after deducting those paid to the re-insuring offices, were £35,808 6s. 7d. The net amount insured in 1887 was £701,129, and the new net premiums were £26,482 14s. 7d.

The income of the life branch, from premiums and interest, amounted in the year 1888 to £512,383 1s. 5d.

During the year 301 deaths, by which 368 policies emerged, were proved, and 18 endowments matured. The sums which thus became payable amount, with bonus additions, to the sum of £340,347 2s. 1d, after deducting re-assurances.

It will be seen from the balance sheet annexed that the life assurance fund now amounts to £3,873,085 17s. 8d. At 31st December, 1887, the amount of the life assurance fund was £3,772,579 2s. 11d. There was thus an increase during the year of £100,506 14s. 9d.

ANNUITY BUSINESS.

In the annuity branch 271 bonds were issued, securing the sum of £16,223 1s. 11d. yearly of immediate annuities, £800 yearly of survivorship annuities, and £467 4s. 2d. of deferred annuities, for which the Company received the sum of £164,615 12s. 2d. by single payment, and £156 2s. 3d. by annual premium. In 1887 the number of bonds was 210, securing the sum of £11,770 3s. 11d. of immediate annuities and £2,123 2s. 6d. of survivorship annuities, for which the Company received the sum of £125,024 6s. 2d. by single payment, and £788 18s. 0d. by annual premium.

During the year 86 annuities have fallen in, relieving the Company of the sum of £4,013 4s. 6d. yearly.

THE QUEEN—*Continued.*

The sixth quinquennial investigation for the period ending 31st December, 1888, has been completed, which shows a profit of £76,746, of which £76,144 is recommended for division. Of this sum, three-fourths—or £57,108—belong to the participating assured, and one-fourth—or £19,036—to the shareholders.

The share of surplus accruing to the participating assured will admit of a reversionary bonus of £1 5s. per cent. per annum on the amount assured by all policies entitled to share in the division. The necessary calculations allocating the bonus according to the various interests of the participants are now being proceeded with, and when they are completed the usual certificates will be issued.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1888.

(Abstracted from the Directors' Report, London, Eng., 30th April, 1889.)

During the year 558 proposals were received for assurances amounting to £416,184, which resulted in the issue of new policies for a total of £311,354, producing £10,493 9s. 7d. in annual premiums, and £1,747 10s. 2d. in single payments. 165 proposals for £104,830 were either declined or not proceeded with.

Two annuities were granted amounting to £86 2s. 4d., the consideration received by the Society being £1,150.

One annuitant died, reducing the annuities payable by £41 6s. 8d.

The net premium income, after deducting the amount paid for re-assurances, was £87,124 2s. 11d., and the net revenue for the year, including interest upon investments, was £114,924 0s. 4d.

The claims arising from death were in respect of 150 lives, and amounted to £63,138 19s. 2d., and under endowment policies to £1,338 15s. 10d.

The surplus income of the year was £24,345 2s. 11d., of which £7,752 5s. 8d. has been paid to policy-holders in reduction of premiums and in cash bonus, leaving £16,592 17s. 3d. to be added to the accumulated fund, which now amounts to £698,157 10s. 1d.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER. 1888.

(Abstracted from the Directors' Report, Edinburgh, Scotland, 27th March, 1889.)

Of 2,988 proposals for £1,369,459 received, there were completed 2,707 assurances for £1,163,044 10s., including a number of short-term assurances to secure bonuses contingent on survivance. This is the largest new business reported in any one year.

The new premiums were £44,775 6s. 5d.—£9,305 4s. 2d. being by single payment. A further sum of £66,435 0s. 11d. was received as the purchase price of annuities.

The premiums of all kinds received in the year were £553,875 19s. 5d.; or, deducting the sum paid for re-assurances, £553,950 4s. 4d. The total receipts for the year, including interest, amounted to £855,886 1s. 10d.

By the death of 381 members the sums payable (under 496 policies), after deducting the portion re-assured, amounted to £320,025 16s., including bonus additions. These averaged 49.5 per cent. on the assurances which participated. Endowment assurances for £8,445 also became payable at maturity, making the total claims in the year £328,530 16s. On the other hand, annuities payable by the Institution to the amount of £1,885 5s. 2d. have ceased by the death of annuitants.

The realized funds at 31st December, 1888, after deduction of claims admitted, but not then paid, and surrender values unclaimed and outstanding accounts, amounted to £6,516,468 17s. 10d. The large increase during the year, £401,212 15s. 5d., includes the purchase price of annuities, and interest accrued to close of the year.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST JANUARY, 1889.

(Abstracted from the Directors' Report, Aberdeen, Scotland, 30th April, 1889.)

FIRE DEPARTMENT.

The net premiums (the gross being £71,508 14s. 2d.) received during the year amount to £46,612 1s. 3d. The net losses (the gross being £39,906 13s. 5d.) paid and provided for are £25,772 14s. 11d., being 55·29 per cent. of the net premiums received. The net profit on this branch is £9,269 5s. 7d. (after deducting, as formerly, 25 per cent. of the year's income to meet risks unexpired at the close of the year).

LIFE DEPARTMENT.

615 proposals, representing £225,675, were submitted. From these 510 policies have been issued, assuring £184,611 and yielding in annual premiums £6,015 14s. 6d., and £118 2s. 6d. of single premium.

The life claims paid, including those admitted and reported, but not yet matured, and in some cases not yet proved, represent £126,871 3s. 10d. This includes the sum of £5,988 12s. 4d. under endowment policies, which during the year have arrived at maturity.

ANNUITY DEPARTMENT.

The sum of £1,586 10s. has been received, and for which annuities to the amount of £228 17s. 2d. have been granted; also annual premiums of £65 11s. 3d. for contingent annuities, part of which annuities is reinsured. During the year nine annuities have lapsed by death, relieving the Company of the sum of £431 7s. 2d. yearly.

FUNDS.

The total assets of the Company now amount to £1,780,101 12s. 2d., being an increase of £48,908 18s. 2d. over last year.

INCOME

For the year, including interest, is £253,008 4s. 10d., a decrease of £2,238 19s. 4d.

INVESTMENTS.

The debentures, preference, guaranteed and debenture stocks, and the Indian and Colonial securities, taken at the market price of the day (31st January, 1889), continue to show a still increasingly large surplus over the value at which these securities stand in the books and balance sheet.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st AUGUST, 1888.

(Abstracted from the Directors' Report, Norwich, England, 3rd December, 1888.)

DIRECTORS' REPORT.

The statement of accounts for the year ending the 31st August last submitted herewith, shows that the premiums have amounted to the sum of £65,858 13s. 6d. as against £63,949 18s. 7d. for the preceding year, and that including the interest on the invested funds, the total income was £71,879 16s. 1d., a result which your directors regard with much satisfaction.

The claims, though more in number, have slightly diminished in amount, the total sum being £35,311 14s. 10d., as against £35,402 18s. 0d. for the previous year.

The directors have as usual set aside one-third of the premiums for the year to cover the unexpired risks on current policies, and after making this provision there remains an unappropriated balance of £19,600 6s. 1d., out of which they recommend that a further dividend of eight shillings per share (free of income tax) be paid to the shareholders, making with the interim dividend paid last June the sum of twelve shillings per share. The total assets of the Association, after deducting the interim dividend, amount to the sum of £169,552 6s. 1d.

*The question of the renewal of this company's license, which expired on the 31st March, 1888, and has not been renewed, is still pending.

By a judgment of the Supreme Court of New Brunswick the claim of the Government against the liquidators of the Maritime Bank, in respect of a certain deposit receipt issued by the said Maritime Bank (now in liquidation) which forms part of the company's deposit with the Receiver General, has been allowed as a preferential claim. An appeal on behalf of the liquidators against said judgment has been argued before the Supreme Court of Canada and now stands for judgment.

* This Company has also \$132,500 vested in Canadian Trustees under the Insurance Act.

† This Company has also \$80,000 vested in Canadian Trustees under the Insurance Act.

‡ This Company has also \$498,197 vested in Canadian Trustees under the Insurance Act.

• Deposit receipts, \$5,000 of People's Bank, Fredericton, and \$45,000 of Maritime Bank, St. John. The latter bank is in liquidation. The question of the renewal of the Company's license which expired on the 31st March, 1888, and has not been renewed, is still pending. By a judgment of the Supreme Court of New Brunswick the claim of the Government against the liquidators of the Maritime Bank in respect of the \$45,000 deposit receipt above mentioned has been allowed as a preferential claim. An appeal on behalf of the liquidators against said judgment of the Supreme Court of New Brunswick has been argued before the Supreme Court of Canada and now stands for judgment.

THE following Life Insurance Companies, having ceased to transact new business in Canada, are entitled under Section 32 of the Insurance Act, to transact all business connected with policies existing at 31st March, 1878, and their deposits are applicable to these policies, subject to the provisions of the Insurance Acts of 1878 and 1871.

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business, and has re-insured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is \$11,000 municipal debentures, still in the hands of the Receiver-General.

The license of the Hand in Hand Insurance Company expired on the 31st March, 1887, and was not renewed, owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters was restricted to Companies which transact the business of Life Insurance. (By an amendment passed last Session this restriction has been removed.) The Hand in Hand continues to transact Plate Glass Insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of \$5,000 still remains with the Receiver-General.

A. Ramsay has discontinued his Plate Glass Insurance business, and has re-insured his outstanding policies in the Dominion Plate Glass Insurance Company. Notice has been given for the withdrawal of the deposit of \$5,000 now in the hands of the Receiver-General.
